I Our Company Company

I Our Projects Projects

I Our Service Service

In short: the perfect lighting

CANDILUX GmbH is an LED lighting manufacturer and part of the SAILER Group of companies with more than 20 years R&D behind us. From us you are able to source intelligent luminaires for your Industrial plants, Offices, Streets and Parking lots.

Time is of the essence and hence your contacts will be our planners and engineers. We take care to use only the most reliable and efficient components in our products. The expectedly high engineering and build quality standards ensure a low energy consumption and low maintenance costs but high output and emission quality.

External task lighting

Client: Sappi Fine Paper
Europe

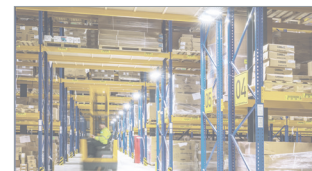

Productionhall

Client: INDEX Werke
GmbH & Co. KG

High rise storage

Client: Cambro

Other projects can be found on our website.

Quality
